Analyzing a song lyric

In groups

2. In 'Old Boys' Amberson and Agnes makes a video inspired by 'Subterranean Homesick Blues' from 1965. Bob Dylan, who was an important songwriter in the 1960's, wrote the song and the video is regarded as the world's first music video. Watch the video on YouTube and read the lyrics on [genius.com](https://www.genius.com). Make a powerpoint presentation which presents the following:
 - 1) Who is Bob Dylan? What was the youth rebellion in the 1960's? What was Dylan's role in the youth rebellion?
 - 2) What is the song about? What does Dylan have to say to young people?
 - 3) Find quotations from the song and explain what they mean.
 - 4) Find quotations from the song relating to 'Old Boys'. Explain the connections between the song and Amberson's situation.
 - 5) Are some of the problems pointed out in 'Subterannean Homesick Blues' still relevant for young people today?
