FILM
CENTRALEN

Work in pairs:

1. Play the song and sing along.
2. Look up the words you don't understand.
3. Sing and read the text again.
4. Talk about the meaning of the verses and the refrain.
5. Describe the way that the music affects your emotions according to Connor's story.
6. Describe a couple of scenes in the film where the lyrics are shown. Use the images 1-20 in this material.

AFSLUTTENDE OPGAVE:**3. Write a haiku-poem and present it in class.**

A haiku-poem consists of 5, 7 and 5 syllables in three lines. You have three lines to make your reader see, sense, and feel your experience of the film and the song.

Express a single mood or emotion in your haiku. A well written haiku pays attention to things that trigger your reactions.

Present your poem as a Lyd-digt.

Use this SmåP-manual: <http://www.xn--smp-vla.dk/film-radio/laekkert-lyddigt>

OR

Present your poem as a Haiku-deck.
